

Wittering Weekly Roundup

Try Hard, Be Kind, Fly High

Dear Parents and Carers,

Coming soon

On Thursday we had a film production company come in to school to create a new welcome video for our website. Here's a look at filming behind the scenes of Mr D's dance class! We will let you know when the new film is on the website!

Reminder

We are continuing to see a number of children wearing football tops and different coloured clothing for PE. PE kit should consist of black bottoms (joggers, shorts, leggings) a white top, and a black hoodie/jacket. We would appreciate your support in ensuring children come to school in the correct uniform.

Attendance

Our attendance across school for this week was 96%! Our top three year groups for attendance this week were:

1	Year 4	99%
2	Year 2	97%
3	Year 1	97%

Sports News

On Wednesday some children were very excited to join other schools in an inclusive sporting event at AMVC. It was a fantastic morning where the children got to enjoy doing Boccia, Curling and dance! Well done children!

School Council

Our school council had a meeting this week to discuss an up-and-coming charity event in school. More details on this will be sent out soon. They had some excellent ideas!

Recommended Read

This week's recommended read is by Mrs Riddell and Mason!

Our Recommended Read is called The Midnight Gang. This is a fabulous story about 5 children who meet in hospital and have amazing, magical adventures. Tom, Amber, Robin, George and Sally discover the hospital's magic and how (with the help of Porter – the porter!) it helps sick children's dreams come true. Each night, at midnight, when the rest of the patients and staff are sleeping, the gang escape their ward and roam the hospital in search of fun and adventure.

A wonderful book about magic, friendship and how by helping and supporting each other, dreams really can come true!

Our Learning this week

Year 3 took part in Bikeability this week, they had an enjoyable time learning new skills.

Staff News

Teaching staff had an 'enjoyable' and rather 'energetic' afterschool staff meeting this week with two PE teachers from AMVC. They were shown how, and took part in, the skills of preparing for running, throwing and jumping. This training is to support us in preparing our students for some of the expectations of PE in secondary school.

There were a few complaints of aching muscles the following morning!!!
