Outdoor Learning Training

On Thursday the teachers took part in Outdoor Learning training. We worked together through various teaching and learning activity ideas using our new den building and small parts equipment. We have a number of new outdoor projects in the pipeline and can't wait to put our learning into practice!

Sports Ambassadors

On Tuesday 16th January, our rather fabulous Sports Ambassadors went to AMVC to take part in their first Ambassador Conference. With guidance from Mrs Wilding and Mr Moffatt (AMVC PE Dept.) the ambassadors, from thirteen schools, held a discussion about their job and how they could raise their profile in school. They made plans to introduce new ideas and clubs in schools.

Our Sports Ambassadors have decided on a plan for our school and we look forward to finding out what is store for us.
