

Wittering Weekly Roundup

Try Hard, Be Kind, Fly High

Dear Parents and Carers,

Attendance

Our attendance across school for this week was 95%. It's been good to see our children on the mend! Our top three year groups for attendance this week were:

| | | |
|---|-----------|-----|
| 1 | Year 4 | 99% |
| 2 | Year 6 | 96% |
| 3 | Reception | 95% |

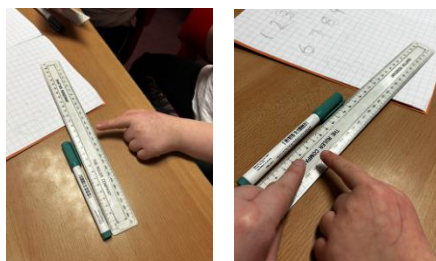

Communication Statement

I will be attaching our Communication Statement to this newsletter. This is in order to ensure we are all clear in expectations of communication in relation to school. Should you have any queries, please call or drop me a Dojo or email.

Our Learning This Week

Mrs Thrower's class have been working hard to write posters with command sentences starting with bossy verbs. We have thought about how to Reduce, Re-use, Repair and Recycle.

Children in Year 3 have been measuring in maths using centimetres. They found objects around the room and measured them with their rulers before recording the length in their books. They also had a fantastic time drawing around and measuring their feet. Most of the children found out that their feet are not the same size!

On Wednesday this week year 5 were invited to AMVC to take part in a table tennis event where the secondary students worked with our children in small groups on their bat and ball skills, specifically serving, sending and returning the ball.

The children made us very proud. They were all impeccably behaved, listened and followed instructions carefully and everyone thoroughly enjoyed the morning.

Year 6 have been busy practising the various routines ahead of our Jumpstart Jonny visit in a few weeks so we are ready to impress. Lots of enthusiasm and a great brain and movement break in the middle of each morning! Even the grown ups join in!
