Wittering Weekly Roundup

It has been quite a hectic week this week, with lots of fun filled activities and unprecedented events! First, I would like to extend my sincerest apologies for the closure on Tuesday due to the lack of water. Please know that this decision was not made lightly, and we appreciate your understanding.

On the same day, our staff attended the remembrance service, where the beautifully decorated stones and jars were placed. A huge thank you to everyone who was able to come along to the memorial and who contributed by decorating and bringing in these wonderful items!

Thursday was a special day as we had Mr Toma's Class assembly, which was brilliant!

Today we saw some amazing outfits in support of Children In Need. Thank you immensely for your generous donations to this charity!

Finally, we wrapped up the week with the Friends of Wittering Winter Wonderland School Fair, a fantastic event that brought our community together.

Weekly Attendance

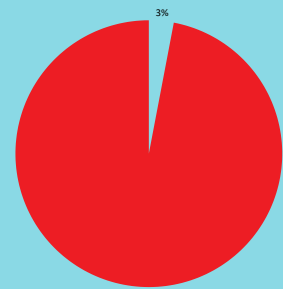

We are proud to say that our attendance across school this week is 96%. The top three year groups for attendance this week were:

Year 6

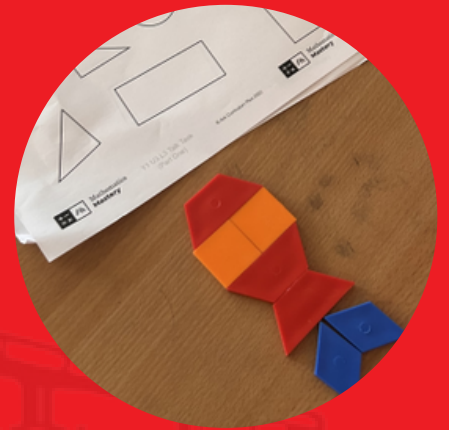

Year 1

Year 2

Key Stage 1

Year one have been learning all about shapes! This week they started by learning the properties of 2D shapes and exploring making pictures with them!

Key Stage 2

Mr Toma's recent assembly that took place on Thursday. The students had a wonderful time discussing the various subjects they have been learning in school.

They showcased some fantastic photography projects they have been working on in art class, shared their experiences with communication in computing, and even talked about the RAF Stem activity they participated in during Design Technology. It was lovely to see how much they enjoyed sharing their learning with everyone.
