Wittering Weekly Roundup

How have we already reached the half way point of the year?!

Another busy week to end our half term, on Tuesday, the whole school participated in a Safer Internet assembly followed by a day dedicated to learning the importance of using the internet safely. An incredibly worthwhile day which enhanced our weekly online safety sessions.

Today, five children from each class enjoyed the Always Club experience. A big thank you to all those who have updated their parental consents for their children. If you haven't had the chance yet, please remember to do this by Monday, 23rd February.

As we approach the Half Term break, I would like to wish you a restful and relaxing time. We look forward to welcoming everyone back on Monday, 23rd February, refreshed and ready for more learning!

**My favorite thing I have done
this half term is rebounding!

**My favorite lesson this term
has been maths!

Weekly Attendance

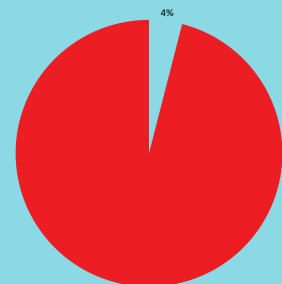

Our attendance across school this week is 94%. The top three year groups for attendance this week were:

Year 6

Year 3

Year 1

Key Stage 1

Miss Griffiths class have had a very busy and exciting week, they kicked off the week by diving into some engaging part-part-whole maths activities, using tables to hone their skills. On Thursday, they welcomed three lovely ladies from Waterside Care Home, who came to read delightful stories to the children and their favourite teddy bears.

To wrap up the week, the children had a fun-filled Friday making pancakes from scratch. The wonderful team in the kitchen kindly cooked these for the children, and I must say, they were a hit!

Key Stage 2

In our Happy Hub this week we started the day with quick math's. The children were asked to fill a cone with a specific number of pom-poms; such as "three scoops of ice cream".

Later in the week we made spiders by adding the correct number of legs to match the number on the spider. The children really enjoyed this
