Dear Parents

Fete

Thank you so much for your support and donations for the Fete Day. The children had a great time and it was nice to do something as a school in this way. The two raffle ticket numbers for the main prize were

01832 - £100 & 00759 - £50.

There were some prizes that we couldn't give out so we shall be getting in contact with the winners of those as we go through this week.

Reading Books

We shall be collecting in reading books at the end of this week. This is to give us time to see where we have developed gaps within the scheme so we can look at renewing our books next year.

September 2021

We still have no information about how school will look in September 2021. The education secretary is due to make an announcement today. Once we have been told and I have had time to process the information I will be back in touch about what things will look like. Thank you to all of you who have continued to follow our requests in school around the one-way systems and wearing masks, etc. I fully understand how tiresome this can seem but with numbers of positive cases on the rise locally then I want to be try and ensure we are being as careful as possible. It would be heart-breaking if we had to close down bubbles and ask people to isolate at this point. I am aware as well that many of our school community have holidays or family visits booked for the first week of the holidays and wouldn't want these plans to be disrupted.

Sports Teams

Over the past few weeks some of our Year 5 and 6 pupils have been part of outdoor sports competitions against other schools. This was a welcome step forward and brilliant for the children to be able to compete again. We performed very well and finished with our Year 5 team coming 3rd in Hockey, our Year 6 netball team coming third in their competition and our Year 6 football team taking the 2nd place position after a closely competed final. Good luck as well to our Year 6 athletics team who compete later on this week.

Yours sincerely

Rhys Thrower
