

Friday 25th September

Wittering Weekly Roundup

We have had a fabulous week full of lots of learning! A huge 'well done' to our new reception class, who have completed their first full week in school! I'm sure we have lots of very tired children, but they have been brilliant and have really started to find their feet.

Wittering SEMH Hub

We would like to invite to you a public consultation event taking place at Wittering Primary School on Tuesday 13 October from 4pm until 6pm. This will provide an opportunity to learn more about proposals to establish a specialist SEND unit through the refurbishment of existing space within the school and to share your views on the proposal.

The event is being held by our education team and the school to show residents these plans as well as answering any questions and allaying any concerns they may have.

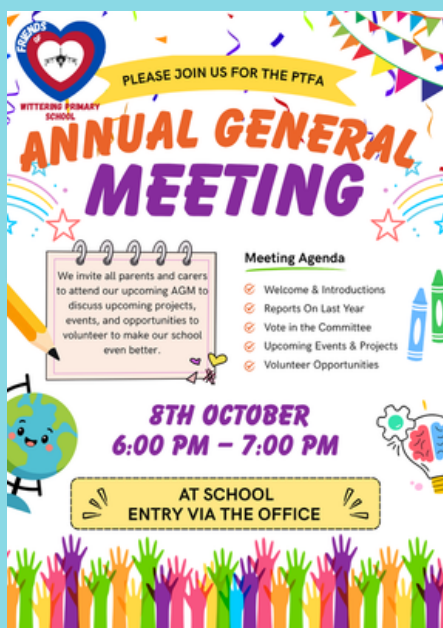

We would welcome your attendance.

Sports News

40 children from all Key Stage 2 classes took part in a SOKE Cross Country event today at AMVC joined by other schools across the Trust. The children all did extremely well showing determination and perseverance!! Well done!

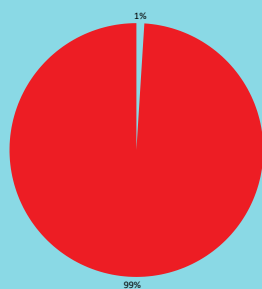

Friends of Wittering

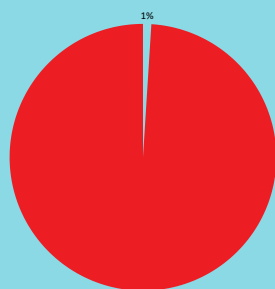

Join us for our annual meeting on Thursday 8th October!

Weekly Attendance

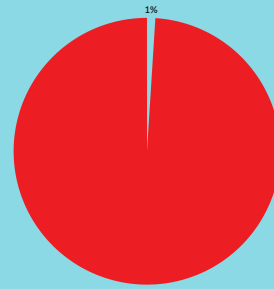

Our attendance across school this week is 97%. The top three year groups for attendance this week were:

Year 2

Year 3

Year 1

Key Stage 1

Our children have been thoroughly enjoying their sessions with our new PE coaches from Just Do Sports, they have enjoyed both football and athletics so far.

It's fantastic to see their enthusiasm and energy during these lessons, and we believe that these activities are not only promoting fitness but also important teamwork skills.

Key Stage 2

This week in Mrs Ledbrook's class, the children have been delving into the fascinating world of geology.

They explored the different types of rocks, learning about sedimentary, igneous, and metamorphic rocks. Each type has its unique characteristics and formation processes, making this a truly exciting topic for our budding geologists!

Community News

Is your child due to start school in September 2027?

Come and visit us to find out why Wittering Primary School is the best choice for your child!
We would be delighted and very proud to show you around!

Polite Reminders

Please ensure if your child has their ears pierced, they are taken out or covered with tape for PE lessons. Additionally, it's important that hair is tied back for safety reasons.

We would like to remind all parents authorised to use the staff car park while dropping off children to please leave promptly after doing so. This is crucial for ensuring that we can secure the school premises for the safety of all children.

We have a huge amount of lost property already building up. Any items with names in are being immediately returned to the owners, however, we are unable to return items effectively if they have no name in.
