

Wittering Weekly Roundup

Try Hard, Be Kind, Fly High

Dear Parents and Carers,

Strike Action

Just a quick reminder that school will be open on Tuesday.

Sickness

Please can I clarify that if your child is physically sick that our policy states that they cannot return to school for 48 hours from the last point of sickness. It is important for the health of the other children and their families that we have this in place as the impact of a sickness bug around school can be difficult for all.

Wear Purple for the Military Child

It was wonderful to look out in assembly today to a sea of purple and blue. All our children whether they are military children or civilian are impacted by the forces and today was wonderful to celebrate our strong, well-rounded and resilient children!

PTFA Easter Competition

Congratulations to our Easter competition winners, it was incredibly difficult to judge such wonderful entries! I would like to say a huge thank you to Anglian Water, who kindly donated the sweet bags for all competition entrants.

Safety in the Village

I have been asked to share with you the concerns raised by the base. We have discussed with the children the need to keep themselves safe and not to put themselves into risky situations. Please could you re-enforce this with them at home.

ROYAL AIR FORCE WITTERING

IMPORTANT NOTICE

There has been a recent spate of children gaining access to empty Service Families Accommodation (SFA) in Wittering village.

The Civilian Police are keen to catch those involved in the act and have urged anyone who witness instances of children in empty properties to report this to them via 999.

Not only are those involved causing damage to the properties but given the condition of some of the empty SFA, there is a real concern that the children could cause injury to themselves.

Thank you in advance for your support and vigilance.

Coronation Events

We are excited to be celebrating the King's coronation on Friday 12th May to combine these festivities with the end of the Year 6 SATs testing period. Classes will enjoy some arts and craft activities, we will be holding a whole school lunch event and will be embracing the Big Help Out ethos.

Lunch will be provided free of charge by school with dietary requirements catered for, however, should you prefer to provide a packed lunch, this will still be eaten with their class.

Children are invited to wear red, white and blue as part of the celebrations. Please could **Year 6** wear uniform for the start of the day and bring a change of clothes with them to change into following their final test on Friday morning.
